FedEx / UPS Packaging

Additional packaging is required for all safes shipping via FedEx or UPS to protect the safe from transit damage. This excludes products already packaged for FedEx or UPS shipment.*

Maximum weight for FedEx or UPS is 150 lbs.

AMSEC will not be held liable for damages if this packaging is not requested at the time of order.

Order Part #4505400

Net up charge \$8.00 per package.

*PB3 & DV652

TERMS

Terms are 2% C.I.A. (Cash In Advance) or net 30 days to customers who have established and maintained a satisfactory credit rating with us. 30 days after the completion of custom products, customer agrees to take delivery and be invoiced for such products.

PRICES

Prices are F.O.B. Fontana, California and are subject to change without notice. Orders for products not included in this price list will be treated as specials, and prices will be assigned by individual quotations issued by **American Security Products Company (AMSEC)**.

State or local sales taxes, or other taxes that may be levied or assessed upon a sale or purchase of products listed in this price are not included in the prices shown. Any such taxes must be paid by the purchaser and if, by law, the vendor is chargeable with the collection or payment thereof, the sum must be added as a tax to the price listed herein.

SALES NOTICE: Any sales of products shipped in California, Georgia or Florida are subject to sales tax, unless purchaser has on file with American Security Products, a resale certificate issued from the state products are being shipped into.

HOW TO ORDER

All orders for standard products must specify the model number and description. Orders for specials must include complete descriptions and or drawings, color and delivery information. Routing information should be supplied in writing as well as the selection of the freight carrier. Otherwise the merchandise will be shipped "best way". Purchase orders mailed to confirm telephone orders must be marked "Confirmation-Do Not Duplicate." Orders may not be cancelled except by written consent from **AMSEC**, Fontana, California. Cancelled orders for catalog items may be subject to a restocking charge of 20%. Cancelled orders for specials are subject to charges based on the degree of completion and market value of the unit(s). Special orders (custom units) must ship within 30 days of original ship date.

DESTINATION INSPECTION

All **AMSEC** products are inspected at the factory prior to shipment. **AMSEC's liability for damaged merchandise ceases when the shipment is accepted by a common carrier. All merchandise should be carefully inspected by the consignee and if damage or shortage is evident, the consignee should refuse acceptance until an agent of the carrier indicates on the delivery receipt the nature and extent of the damages or shortages.** All claims for damages or shortages should be made directly to the carrier. In cases of hidden damage (damage not evident on the carton or crate) unpacking should be stopped and the carrier notified to send an inspector. Save the original carton or crate for the inspector to examine.

RETURN SHIPMENT

Return Shipments will not be accepted unless authorized in advance and an RGA# assigned by **AMSEC**, and are subject to cancellation, transportation, handling and restocking charges.

WARRANTY AND SUPPORT POLICY

Service performed under AMSEC's Limited Warranty will be considered for approval only if the following procedures and policies are followed:

1. A Warranty Authorization Number must be obtained from **AMSEC BEFORE ANY SERVICE WORK IS PERFORMED**. Authorization can be obtained by calling the **AMSEC** Service Department at 951-685-9680 between the hours of 7:30 a.m. and 4:30 p.m. Pacific Time, Monday through Friday. The serial number, description of the product and nature of the problem must be supplied to **AMSEC** to determine warranty status before an authorization number will be assigned. Issuance of the authorization number recognizes only the existence of a problem and does not constitute an admission of liability by **AMSEC**. Only approved service representatives will be authorized to perform warranty service.
2. **AMSEC** will send a Warranty Service Report form (WSR) either by mail or with any required parts. This form must be filled out and returned with your invoice and defective parts before service charges can be considered for payment.
3. **AMSEC's** warranty covers defects in workmanship and parts for one year (3 years on imported fire safes). Defective parts must be returned (not repaired unless instructed) to **AMSEC**. If parts are not returned, the warranty invoice will be denied. Do not invoice for parts. Defective parts will be replaced by **AMSEC**. State sales tax does not apply to warranty service work and will not be honored.
4. **AMSEC** offers technical support via telephone free of charge for a period of one year after the purchase of a product. Technical support can be obtained by calling 951-685-9680 between the hours of 7:30 am and 4:30 pm Pacific Time, Monday through Friday.
After one year, phone support is offered on a charge-per-call basis. Service and support contracts are available on select products.
5. Any service performed prior to issuance of a warranty authorization number will be subject to denial. **PRICES SUBJECT TO CHANGE WITHOUT NOTICE. NOT RESPONSIBLE FOR TYPOGRAPHICAL ERRORS.**
6. For complete details concerning AMSEC's product warranty please visit the product support section of our website at www.amsecusa.com

NOTES:

- When ordering specify model number and lock order number.
- All safes requiring drawers must have a minimum inside depth of 20"
- Drawers narrower than safe will mount opposite outer door hinge and any excess

space will be covered unless otherwise specified.

- Drawers will mount and stack from the bottom of safe unless otherwise specified.
- On full width drawers outer door must swing 180° for drawer to pull open.
- Drawer travel is 12¹/₂" minimum, 17" maximum.
- Vertical space consumed by a drawer is useable inside height plus 1¹/₄".

The SafeWizard® Access Control System

AMSEC Product Catalog Page 40

The SafeWizard® electronic safe controller is a state-of-the-art electronic product for use in controlling and auditing access to safes. Designed to prevent burglaries and internal theft, the SafeWizard® controls and documents each access to the safe. Based on contemporary high speed processors, unique user friendly software techniques and ingenious application ideas, this system surpasses all other safe access control systems.
